## UNCIRCULATED SILVER DOLLAR BONANZA

Hand-picked for you based on luster, strike and surface qualities. All coins are brilliant (BUT you like some original rim toning – let us know and we will see if we can help!). Not every date and mintmark look alike in grade. Some dates are typically softly struck, some always sharp; some exhibit blazing luster, some creamy surfaces. If you do not know the characteristics of each date and mintmark – just ask! Have fun!

## SUPER COOL TONED 1881-O MORGAN SILVER DOLLAR DEAL

Customer brought in 25 1881-O silver dollars with the most unusual tones I have ever seen. Turns out he removed them from the original cardboard – all the coins had pieces of paper holding the coins in place and then the paper was taped down to attach to the cardboard. Various degrees of tones with crisscross brilliant white in various degrees where the paper tabs were taped. Vibrant colors! He did not know (nor did he seem much interested) for what anniversary these were gifted for. I can only assume a 25th Anniversary in 1906? Who knows?

Anyway too cool!

All coins are CH BU+ MS-64 with really cool tones. \$181.81 each

## NICELY TONED 1987 SILVER EAGLES

I purchased several dozen 1987 Uncirculated Silver Eagles in snaplock holders with the cardboard insert that tones the periphery. It seems a shame to dip off the beautiful tones. Some are toned more than others – I have priced them as such.

Help me save them from the Jeweler!

toned periphery	\$47.87
more tones	\$57.87
lots of tones	\$67.87

You will love these!

## UNCIRCULATED SILVER DOLLAR BONANZA

Hand-picked for you based on luster, strike and surface qualities. All coins are brilliant (BUT if you like some original rim toning -let us know and we will see if we can help!) Not every date and mintmark look alike in grade. Some dates are typically softly struck, some always sharp; some exhibit blazing luster, some creamy surfaces. If you do not know the characteristics of each date and mintmark - just ask! Have fun!

## SUPER COOL TONED 1881-O MORGAN SILVER DOLLAR DEAL

Customer brought in 25 1881-O silver dollars with the most unusual tones I have ever seen. Turns out he removed them from the original cardboard gift - all the coins had pieces of paper holding the coins in place and then the paper was taped down to attach to the cardboard. Various degrees of tones with cross-cream brilliant white in various degrees where the paper tabs were taped. Vibrant colors!

He did not know (nor did he seem much interested) for what anniversary these were gifted for. I can only assume a 25th Anniversary in 1906? Who knows? Anyway, too cool!

All coins are CH BU+ MS-64 with really cool tones. \$181.81 each
