SUPER BARGAINS ON TWENTY CENTS, BUST & SEATED QUARTERS

Cleaning out old deals AND recent dealer stock new inventory purchases! Some of these coins have problems, all are noted – but still cool silvers to add to your collections.
Most are one-of-a-kind, but I do have multiples of the more common dates/types. So...order early for best choices/bargains!
I will only do orders in the order they come in. I will try to keep track of items no longer available.

If you are looking for varieties – do not waste my time.

Abbreviations: OBV – obverse • REV – reverse • POR – porous • CORR – corroded • SCR – scratch/scratches • CL – cleaned • ORIG – original

• LAM = lamination/streak in metal • UNC – MS-60 or better • CH – Choice!

Also, since I was asked multiple times – TICKY Little, multiple marks in the fields that you cannot see without a loupe (unless you have bionic eyeballs!)

SPECIAL! Take 5% off your purchase of \$300.00 or more! Take 10% off your purchase of \$1000.00 or more!
