### SUPER BARGAINS on BUST HALF DOLLARS

Cleaning out old deals and recent purchases!

Some of these coins have problems, all are noted – but still cool silvers to add to your collections. Most are one-of-a-kind, but I do have multiples on some of the more common dates in AU. So...order early for best choices/bargains! I will only do orders in the order they come in. I will try to keep trace if items no longer available.

If you are looking for varieties – do not waste my time. Have fun and help me clean out my boxes!

**Abbreviations:** OBV – obverse – REV – reverse – POR – porous – CORR – corroded – SCR – scratch/scratches – CL – cleaned – ORIG – original – LAM – lamination – UNC – MS-60 or better – CH – Choice – TICKY – little, multiple marks in the fields mostly that you cannot see without a loupe (unless you have bionic eyeballs!)
