DO NOT CLEAN YOUR COINS!
Everyone seems to have a shoe box or cigar box full of junk saved in their attic, closet or safety deposit box. Well, if you have any of the items listed in this ad collecting dust somewhere, now is the time to take action. We desperately need items to fill our customers orders. We are paying premium prices for your old coins, diamonds, and collectibles, etc. The time to sell is when you have a buyer who is willing to give you top prices for your items.

Your items do not have to be in perfect shape. They do not have to be the rarest of the rare. We buy broken jewelry, pocket watches and wristwatches. We buy broken low grade rings and flatware. These items all have value! If you do have premium quality items, we will pay high prices for them. We pay full value for all items, regardless of condition. Stop by with your items and one of our appraisers will be glad to give you a FREE EVALUATION on your items. You will be happy you did!
